the only music appreciation text on the market to include listening exercises throughout the book listening to music sixth edition masterfully develops and refines the listening skills of your students acclaimed for unparalleled clarity and accuracy wright succinctly covers traditional western music from medieval to modern musical examples from each historical period are discussed within their social context giving students a broad sense of not only the construction of a piece but also its historical and cultural meaning concluding chapters discuss 1 popular music and its impact on musical globalization and 2 music from east asia the near east africa the caribbean and latin america drawing comparisons between western and non western musical cultures this chronological text actively develops listening skills in three important ways first listening to music includes detailed listening exercises throughout the book these easy to grade exercises help students focus on important musical elements and episodes by providing these exercises in the book craig wright who teaches music appreciation and uses these exercises himself frees instructors to spend time on other aspects of class preparation second a free introduction to listening cd comes packaged with each copy of the text this cd plays all of the music and musical examples for the listening exercises in part one which introduces music fundamentals third active listening guides with streaming music and listening quizzes are available from the schirmer cengage learning premium website to further challenge and test your students for the first time the text s companion site links to a complete online course taught by craig wright at open yale courses an open access selection of introductory

courses taught by distinguished teachers and scholars at Yale University. The courses include exciting live in-class performances and demonstrations. Important notice: media content referenced within the product description or the product text may not be available in the ebook version.

Combining outstanding listening pedagogy with cutting-edge digital resources, *The Essential Listening to Music* with Download Card 2e inspires a lifelong appreciation of music. In this streamlined and succinct book, scholar and master teacher Craig Wright discusses musical examples from each historical period within its social context, giving you a sense of a piece's construction as well as its historical and cultural meaning. A wide range of resources help you sharpen your listening skills, including online listening exercises for most pieces in the book, streaming music, computer-enhanced active listening guides, and chapterwide and critical thinking quizzes. You also can download music covered in the book directly to a music library. The second edition is fully integrated with MindTap, giving you the ultimate personal learning experience from your laptop, tablet, or smartphone. MindTap also includes engaging new animations created by Stephen Malinowski, individual YouTube players, instant audio for most examples in the book, and much more.

The only music appreciation text on the market to include listening exercises throughout the book, *Listening to Western Music*, Sixth Edition, masterfully develops and refines the listening skills of your students. Acclaimed for unparalleled clarity and accuracy, Wright succinctly covers traditional Western music from medieval to modern. Musical examples from each historical period are discussed within their social context, giving students a broad sense of not only the construction of a piece but also its historical and cultural meaning. This chronological text actively develops listening skills in three important ways: first, *Listening to Western Music* includes detailed listening exercises throughout the book; these easy-to-grade exercises help students focus on important musical elements and episodes by providing these exercises in the book. Craig Wright, who teaches music appreciation and uses these exercises himself, frees instructors to spend time on other aspects of class preparation. Second, a free introduction to listening CD comes packaged with each copy of the text; this CD plays all of the music and musical examples for the listening exercises in Part One, which introduces music fundamentals. Third, active listening guides with streaming music and listening quizzes are available from the Schirmer Cengage Learning Premium website to further challenge and test your students. For the first time, the text's companion site links to a complete online course taught by Craig Wright at Open Yale Courses, an open access selection of introductory courses taught by distinguished teachers and scholars at Yale University. The courses include exciting live in-class performances and demonstrations. Important notice: media content referenced within the product description or the product text may not be available in the ebook version.

The Essential Listening to Music draws on the strengths of author Craig Wright's larger volumes, *Outstanding Listening Resources*, clear writing, state-of-the-art online resources, and delivers them in a direct conversational style that is designed to inspire a lifelong appreciation of music. In this concise book, scholar and master teacher Wright focuses on the key concepts and works presented within a typical music appreciation course, avoids lengthy discussions on side topics, and includes a set of integrated digital resources that make it easy and fun for you to master the material. *The Essential Listening to Music* is approximately 60 percent shorter than the large volume and is priced much lower than our larger texts. This chronological text discusses musical examples from each historical period, each discussed within its social context. This provides you with a sense of a piece's construction as well as its historical and cultural meaning. *The Essential Listening to Music* includes a wide range of resources designed to develop listening skills and challenge you: a free introduction to listening CD packaged with each copy of the text; listening exercises built into the book and online; unique to Wright's text, an optional two-CD set; streaming music and downloads; computer-enhanced active listening guides and listening quizzes for all of the music in the text. All of these are included within CourseMate, a comprehensive online learning environment. Important notice: media content referenced within the product description or the product text may not be available in the ebook version.
